IRISH LAND ACTS, 1903-9.

REPORT

OF THE

ESTATES COMMISSIONERS

FOR

THE YEAR FROM 1st APRIL, 1919, TO 31st MARCH, 1920.

AND FOR

THE PERIOD FROM 1st NOVEMBER, 1903, TO 31st MARCH, 1920.

TO HIS EXCELLENCY FIELD MARSHAL JOHN DENTON PINKSTONE,
VISCOUNT FRENCH, K.P., &c

LORD LIEUTENANT GENERAL AND GENERAL GOVERNOR OF IRELAND.

The Estates Commissioners beg to submit the following Report of their proceedings under the Irish Land Acts, 1903-9, during the year ended 31st March, 1920, together with a summary of their proceedings for the period from 1st November, 1903, to the 31st March, 1920.

INTRODUCTORY STATEMENT.

The Estates Commissioners are the three Members of the Irish Land Commission appointed under the Act of 1903 for the sale of Estates under that Act, and detailed particulars of the proceedings before them under the Acts 1903-9 are given in the following Report and accompanying Tables up to the 31st March, 1920.

The Estates Commissioners think it is desirable to preface their Report with the following summaries of the proceedings under the earlier Land Purchase Acts, *i.e.*, 1870-1896, and of the proceedings under the Acts of 1903-9 for the sale of *holdings*, as distinguished from proceedings for the sale of *Estates* through the Estates Commissioners under these Acts, so that, read in conjunction with the proceedings for the sale of Estates under the Acts 1903-9 (of which a summary is given on page 5), it may be possible to see the progress which has been made in the transfer of land in Ireland under *all* the Land Purchase Acts.

It will be seen that up to the 31st March last £106,933,839 has been advanced under all these Acts in respect of lands representing a purchase money of £108,795,258 the difference having been lodged in cash by the purchasers, and that on that date lands representing a purchase money of £15,194,305 were pending for sale under these Acts, but advances had not yet been made in respect thereof.

The Land Purchase Provisions of the Act of 1870 were administered by the Board of Public Works (Ireland), and those of the Acts 1881-1896 by the Irish Land Commission; detailed particulars of the Sales under these Acts are given in the Reports of these Departments. The advances under the Acts of 1870-1888 were made in Cash, and the advances under the Acts of 1891-6 were made in Guaranteed Land Stock (2½ per cent.).

* In the case of 1318 Estates part of the Estate was sold under the financial provisions of the Act of 1903 and part under those of the Act of 1909. For the purpose of this Table each such Estate is counted as one Estate, but in the Statistical Tables to this Report the sales under each Act are necessarily set out separately and the parts sold under each Act are treated as separate Estates.

Pending Sales.—Advances not yet made.

Proceedings for sale had been instituted before the Estates Commissioners on the 31st March, 1920, as follows, in which the purchase money had not been advanced on that date :—

In addition, Estates of an estimated purchase money of £37,258 and £1,043,539* were pending on the 31st March, 1920, for sale to the Estates Commissioners and the Congested Districts Board respectively, but in respect of which formal proceedings for sale had not been instituted before the Commissioners on that date.

* Includes £83,919 purchase money of Estates pending for sale to the Board in the Land Judges' Court which will be advanced through the Land Commission.

Mode of Payment under Acts 1903 and 1909.

Up to the passing of the Act of 1909 all advances under the Act of 1903 were made in cash. To expedite the payment of the purchase money of sales of Estates pending under the Act of 1903, at the passing of the Act of 1909, section 3 of the latter Act enabled Vendors in such pending sales to elect to take payment either wholly or partly in Guaranteed 2½ per cent. Stock at the price of 92, instead of waiting for payment in cash of the purchase money of their Estates, and, under section 4 of the Act of 1909, Regulations have been made by the Lord Lieutenant for determining the priority in which advances whether by means of money or of stock, or partly by means of money and partly by means of stock, may be sanctioned or made, and for allocating as between the different classes of sales the amounts available for advances. The present Regulations were made on the 1st April, 1915 (No. 291 of the Statutory Rules and Orders, 1915).

Advances made in respect of Purchase Agreements in Direct Sales lodged after the 15th September, 1909, and in respect of Agreements entered into by or with the Land Commission or the Land Judge or the Congested Districts Board after that date, are made by means of the issue of an amount of Guaranteed 3 per cent. stock equal in nominal amount to the sum advanced and are repayable by Annuities at 3½ per cent. under the Irish Land Act, 1909, save as regards certain Estates and lands pending for sale under the Act of 1903 to the Commissioners and the Board at the passing of the Act of 1909 which are to be paid in cash, with 3½ per cent. Annuities on resale.

The Purchase Money of lands acquired by the Estates Commissioners and Congested Districts Board by means of "Final Offers" under sections 43 and 60 of the Act of 1909, and of lands acquired under the compulsory provisions of Part IV. of that Act, is advanced in Cash repayable on resale by Annuities at 3½ per cent.

The total advances made during the year and period ended 31st March last for the sale of Estates under the Irish Land Acts, 1903-9, were as follows:—

	Year ended 31st March 1920	Period from 1st November, 1903 to 31st March, 1920
	£	£
In all Cash	2,705,654	58,699,002
In half Cash half 2½ per cent. Stock*	116,402	11,939,595
In all 2½ per cent. Stock*	17,119	3,251,281
In 3 per cent. Stock	368,058	7,629,500
Total	3,207,233	81,519,378

These advances were made for the purchase of Estates and are, therefore, exclusive of advances made on resale of Estates purchased by the Commissioners and the Congested Districts Board to tenants for the purchase of their holdings, which advances according as the holdings are vested in the tenants are written off the advances already made for the purchase of the Estates. They are also exclusive of advances made to purchasing tenants for improvements and repayable as part of their Purchase Annuities.

Where not otherwise stated, the expression "period" in this Report means the period from 1st November, 1903, the date on which the Irish Land Act, 1903, came into operation, to 31st March, 1920, and the expression "year" means the year ended 31st March, 1920.

The expression "Parcels" used in the Tables of this Report refers to parcels of untenanted land sold or agreed to be sold to purchasing tenants and others, either as enlargements of existing holdings or as new holdings and where such parcels have been consolidated with the existing holdings of the purchasers it is so stated.

The references in brackets throughout the Report are to the sections of the Act of 1903, unless where otherwise specifically stated.

* The figures in this statement are the advances in respect of which the Land Purchase Annuities are payable: where the advances were made either wholly or partly in Guaranteed 2½ per cent. Stock the amount of Stock issued to the Vendors was the equivalent of the sums advanced, taking the price of issue at 92 in accordance with Section 3 (2) of the Act of 1909. See also Note to table on previous page.

CLASSIFICATION OF SALES OF ESTATES UNDER ACTS 1903-9.

Sales of Estates under the Acts of 1903-9 are effected by the Owners direct to the Tenants (Direct Sales) and by the Owners to the Estates Commissioners or the Congested Districts Board, and in the following pages the Commissioners deal in detail, under their respective headings, with the various classes of sales and other matters which are within their jurisdiction under these Acts.

1.

DIRECT SALES BY OWNERS TO TENANTS.

In this class of sale the formal proceedings before the Commissioners are instituted by the lodgment of an application by the Owner, termed an Originating Application, describing the lands the Owner asks to have declared an Estate for the purposes of sale under the Acts 1903-9. During the period 1st November, 1903 to 31st March, 1920, Originating Applications to the number of 8,681 were lodged. Of these, 12 were lodged in the year ended 31st March, 1920.

Origination of proceedings

The terms of purchase are arranged between the Owner and his Tenants, and are embodied in Purchase Agreements prepared in the prescribed form and lodged with the Commissioners. In these Agreements the Purchasing Tenants, *inter alia*, contract to pay, in lieu of rent, interest on their agreed purchase moneys until the holdings are vested by the Commissioners in the Tenants and the purchase money is advanced.

Advances in respect of Purchase Agreements in Direct Sales under the Act of 1903, lodged prior to 15th September, 1909, are made in cash and repayable by $2\frac{1}{2}$ per cent. Annuities, and under the Act of 1909 advances in Agreements lodged after that date are made in Guaranteed 3 per cent. Stock, repayable by $3\frac{1}{2}$ per cent. Annuities. To expedite the payment of the purchase money of sales of Estates pending under the Act of 1903 at the passing of the Act of 1909, section 3 of the latter Act enabled Vendors in such pending Sales to elect to take payment either wholly or partly in Guaranteed $2\frac{1}{2}$ per cent. Stock at the price of 92, instead of waiting for payment in cash of the purchase money of their Estates. Under the Regulations made pursuant to section 4 of the Act of 1909 the pending Sales under the Act of 1903 are proceeded with and the advances made in their order of priority on the All Cash Register, the Half Cash Half Stock Register, and the All Stock Register.

Advances under Act of 1903 made in cash with $2\frac{1}{2}$ per cent. Annuities, and under Act of 1909 in 3 per cent. Stock with $3\frac{1}{2}$ per cent. Annuities.

III.

RESALE OF ESTATES PURCHASED BY THE ESTATES COMMISSIONERS.

Estates purchased by the Estates Commissioners under the Acts of 1903-9 are acquired for the purpose of resale to the tenants and other purchasers under those Acts. When the rearrangement and enlargement of holdings and other improvements which the Commissioners consider desirable have been completed the lands are vested in the purchasers subject to Purchase Annuities, the Advances in respect thereof being written off the Advances already made to the Commissioners for the purchase of the Estates.

As already stated, 1,031,237 acres, situate on 1,143 Estates, and representing a purchase money of £9,415,312, had been purchased by and vested in the Estates Commissioners up to the 31st March, 1920. These lands comprised 678,477 acres of tenanted land and 352,760 acres of untenanted land and demesnes.

The general practice of the Commissioners is to prepare their Schemes of allotment before taking over possession of the untenanted land, and they place the allottees in occupation immediately on taking over possession; Purchase Agreements at prices fixed by the Commissioners are at the same time signed by the tenants for their holdings and by the allottees for their allotments. The lands are vested in the purchasers as soon as practicable after such improvements as the Commissioners may decide to carry out have been completed and other matters have been disposed of, and meanwhile the purchasers pay interest on their purchase moneys in lieu of rent.

In Tables XVII. to XX., detailed particulars are given, by Provinces and Counties, of the lands sold and vested on resale in the purchasers during the period and year ended 31st March, 1920, and the particulars are summarised in the following Tables:—

NEGOTIATION FEES (SECTION 23, S.S. 11 AND 12). ;

During the year ended 31st March, 1920, the Commissioners sanctioned, under section 23, s.s. 12 of the Act of 1903, Negotiation Fees in respect of 226 estates on which an agent had been employed by the Vendor to negotiate the sale of such estates to persons other than the Land Commission. The total fees sanctioned amounted to £57,126 19s. 11d., which sum represents an average percentage of 2.8 on the aggregate purchase moneys. The total amount of fees sanctioned from the commencement of the Act up to the 31st March, 1920, was £1,072,274 1s. 8d. in respect of 4,586 estates, the average percentage being 2.5.

During the same period fees amounting to £20,040 1s. 11d. were, with the assent of the Treasury, paid, under section 23, s.s. 11, as part of the expenses of the Land Commission to negotiators of sales of estates to the Commissioners under sections 6, 7 and 8, this sum representing 0.44 per cent. on the aggregate purchase moneys. In the case of Estates sold to the Land Commission, the duties of the Negotiator are, as a rule, confined to negotiating the sale of the property to the Commissioners; the arrangements for the resale to the tenants, including the striping and allotment of untenanted land, the re-arrangement, enlargement, and improvement of holdings, are carried out by their Inspectors and other officials.

XII.

In the period from 1st November, 1903, to 31st March, 1920, 137 questions of Law referred by the Estates Commissioners, pursuant to section 23 (1) of the Act of 1903, were decided by the Judicial Commissioner.

XIII.

ACCOMMODATION FOR LABOURERS (SECTION 96).

During the period ended 31st March 1920, the Commissioners forwarded to rural District Councils and to the Local Government Board 191 representations or reports advising that 325 cottages should be erected to supply the needs of 282 holdings. Advances amounting to £12,434 have been made to agricultural labourers for the purchase of parcels of untenanted land from the Commissioners under section 2 of the Act of 1903 and section 19 of the Labourers (Ireland) Act, 1906.

SPORTING RIGHTS (SECTION 13)

In the 9,103* estates for the purchase of which advances were made by the Estates Commissioners during the period from 1st November, 1903, to the 31st March, 1920, the sporting rights were dealt with as follows :—

In 118 estates exclusive sporting rights were preserved to superior landlords.

In 8,985 estates sporting rights within the definition of section 13, s.s. 2, of the Irish Land Act, 1903, were vested as follows :—In 5,949 estates in the purchasers; in

* In the case of 1318 Estates, part of the Estate was sold under the financial provisions of the Act of 1903 and part under those of the Act of 1909. 866 in the vendors ; in 643 in the purchasers concurrently with the superior landlords ; in 26 in the purchasers concurrently with the vendors ; in 36 partly in the purchasers and partly in the purchasers concurrently with the superior landlords ; in 24 partly in the purchasers and partly in the superior landlords ; in 28 partly in the purchasers and partly in the Land Commission ; in 90 in the vendors concurrently with the superior landlords ; in 61 in the Land Commission concurrently with the superior landlords ; in 1 partly in the Land Commission and partly in the superior landlord, in 127 partly in the purchasers and partly in the vendors ; in 217 in the vendors for life, afterwards in the purchasers ; in 17 partly in the vendors and partly in the Land Commission ; in 7 partly in the vendors, and partly in the superior landlords ; in 294 in the Land Commission ; in 337 in the Congested Districts Board ; in 183 partly in the purchasers and partly in the Congested Districts Board ; in 30 partly in the Congested Districts Board and partly in the vendors ; and in 49 partly in the Congested Districts Board and partly in superior landlords.

It will be observed that the number of estates in which the exclusive sporting rights have been vested in the Land Commission is small compared with the number of estates sold, and it has not been found that the sporting rights on these estates are of value. In 27 cases, however, the sporting rights have been leased by the Commissioners.

XV.
